HNJ Catholic School Code of Conduct

The Holy Name of Jesus Catholic School Code of Conduct is in effect whenever your child is on school grounds. During after-school care the children must ask permission to leave the supervised area.

After-school care is a privilege, not a right, that can be revoked at any time. Please be sure that you and your child understand our hours of operation and the rules and regulations. Students picked up after 6:00 pm will be charged \$30 per child/ per hour for any time after 6:00 pm.

I have read and understand the information concerning the fees, rules and regulations for the HNJ After-School Care Program.

I have reviewed the information concerning the expected behavior with my child. I understand my financial obligation is to be paid monthly.
